

## Canada Post Delivery and Gay Lea Foods Mailings

- ❖ With the recent announcement from Canada Post stating a significant number of positive Covid-19 cases at their central distribution / sorting facility in Mississauga, delays with mail delivery are expected.  
We are hopeful that service will return to normal in the coming weeks.
- ❖ This is a busy time of year for the Member Relations Team, as we mail out our shareholder issuances using Canada Post, and include tax slips for your return on investments for the calendar year 2020.
- ❖ We ask for your patience with the mail delivery service, and if we can be of any assistance, please contact any of the Member Relations Team outlined below:
